## **Parish Maintenance**

Over the past couple of months, you will have noticed scaffolding around St. Finbarr's Church. The maintenance of the Churches in the parish is an ongoing responsibility and the fruits of that work may not always be visible. The obvious scaffolding made this work to the roof of St. Finbarr's Church visible but some necessary work has also been done in Kealkil and Coomhola. The total cost of the work completed was in the region of €40,000.

We propose to have a second collection at all Masses in the parish next weekend November 12<sup>th</sup> & 13<sup>th</sup> to help pay the costs of these renovation works. We may have to have a further collection in 2017.

You will remember that we had a second collection every month to help pay off the debt from previous renovations. We very much appreciate your generosity in contributing to those collections and we now appeal to your generosity once again.
